PREP

Let me work my magic and bring the energy **BUT** I do ask a few things from you and your bridal party by:

- Arriving with clean, **DRY** hair with minimal product.
- Please don't pre-flat iron hair as hair will not hold style as well.
- Be prepared to start at my arrival, and have someone on deck at all times so we can stay on the schedule I've created.
- Please have a cleared table space with outlet near by so I can set up shop.
- Everyone should have a few styles ready to be pulled up prior to having services done.

TRIALS

- Trials will be done as an in salon service (\$90)
- Please have a few inspo pics at the ready so we can try a couple different looks.
- It's a good idea to have hair accessories in mind as well as veil.
